ABOUT US

The Postgraduate and Research Department of Social Work at Sacred Heart College (Autonomous) was established in 1979 and is affiliated with Thiruvalluvar University. The department was founded as a visionary initiative of the Founder Director, Rev. Fr. Joe Arimpoor SDB, with the mission of prioritizing the training of rural students in professional social work to enable them to address the needs of their communities. The department offers a Master's degree in Social Work with specializations in Community Development, Human Resource Management, Youth Development, and Medical & Psychiatry and also provides Ph.D. programmes in both full-time and part-time modes.

Since its inception, the Department of Social Work has emphasized the integration of theory, practice, and research. It continually strives for academic excellence by actively seeking feedback from stakeholders and regularly updating its curriculum. A key strength of the department is its strong faculty–student relationship, which plays a vital role in nurturing students with commitment and professional competence. Over the past forty-five years, the department has progressed steadily, producing numerous batches of trained social workers who have addressed issues affecting individuals, groups, and communities not only in the surrounding areas but also across the country and globally.

MESSAGE FROM OUR RECTOR AND SECRETARY

REV. DR. PRAVEEN PETER SDB

It is my great pleasure to present the placement brochure of the Postgraduate and Research Department of Social Work, Sacred Heart College (Autonomous), Tirupattur. Rooted in the college's mission of academic excellence and community engagement, the department has served as a centre of learning, service, and transformation since its establishment in 1979.

The department offers four specializations - Human Resource Management, Youth Development, Community Development, and Medical & Psychiatry. Which reflect our commitment to equipping students with the knowledge, skills, and values required to meet the evolving needs of society and the professional world. Through a dynamic curriculum, rigorous fieldwork exposure, and a strong emphasis on social responsibility, our students are prepared not only for employment but also to act as agents of positive change within organizations and communities.

I take immense pride in the dedicated and accomplished faculty members who mentor and guide our students with professionalism and commitment, fostering a culture of leadership, innovation, and ethical practice. Their sustained efforts have contributed significantly to the department's reputation as one of India's leading institutions in social work education. The achievements of our alumni, who are making meaningful contributions across diverse sectors globally, stand as a strong testimony to the quality and impact of the education imparted here.

I sincerely thank the recruiters and stakeholders who continue to recognize and support the potential of our students. By collaborating with us, you gain access to capable and socially conscious professionals while also contributing to the development of a more just and inclusive society.

I warmly invite you to engage with our institution, explore the capabilities of our students, and experience firsthand the values and excellence that define Sacred Heart College (Autonomous).

WITH BLESSINGS AND BEST WISHES,

REV. DR. PRAVEEN PETER
(RECTOR AND SECRETARY)

MESSAGE FROM OUR PRINCIPAL

REV. DR. D. MARIA ANTONYRAJ SDB

It is with great pride and pleasure that I present the placement brochure of the Postgraduate and Research Department of Social Work, Sacred Heart College (Autonomous), Tirupattur. For more than four decades, the department has remained a vital pillar of the institution, promoting academic excellence, professional competency, and a strong commitment to social welfare.

The department offers four specializations—Human Resource Management, Youth Development, Community Development, and Medical & Psychiatry—which reflect a holistic educational approach aimed at preparing students to excel across diverse professional settings. Through a balanced integration of classroom instruction, fieldwork, and research, students are nurtured to become empathetic leaders, effective problem-solvers, and responsible change-makers.

The department's sustained contributions to society, demonstrated through its community outreach programs and impactful initiatives, embody the core values of Sacred Heart College (Autonomous): service, dedication, and excellence. The recognition it has earned and the achievements of its alumni stand as clear evidence of the faculty's unwavering commitment and the students' consistent efforts.

I express my sincere appreciation to our recruiters and industry partners for acknowledging the talent and potential of our students. By collaborating with us, you are not only engaging skilled professionals but also individuals who uphold ethical values and are dedicated to social transformation.

I warmly invite you to partner with us and experience the distinctive combination of competence and compassion that characterizes our graduates. Together, let us work towards building a better future for our organizations and for society at large.

WITH WARM REGARDS,

REV. DR. D. MARIA ANTONY RAJ
(PRINCIPAL)

VISION, MISSION & OBJECTIVES OF THE DEPARTMENT

Vision:

We the Sacred Heart College community driven by the for the Heart of Jesus and Human Values

- Follow Don Bosco's educative system
- Devoted to createan educated, ethicaland prosperous society
- Advocate equality, freedomand fraternity
- Impart higher education to underprivileged and rural youth
- Emphasise on integralhuman development

Mission:

Capacity building of change agents through theory, practice and research in collaboration with Community, Civil Society Organizations and Government.

Objectives:

- a. To facilitate students to imbibe the spirit of addressing issues and challenges of people basedon the code of ethicsof professional Social Work.
- b. To designand offer an updated SocialWork curriculum in line with recent trends of the profession.
- c. To train students to specialize in Community Development, Human Resource Management and Youth Development and equip them to address concernsrelating to women,children, weaker sections, youth and employees.
- d. To imbibe the spirit of scientific inquiryinto people's issues and educate studentsin the methods of researchand project management.

SPECIALIZATIONS

Specializations designed to respond to organizational needs, community development, youth empowerment, and holistic healthcare.

HUMAN RESOURCES MANAGEMENT

COMMUNITY DEVELOPMENT

YOUTH DEVELOPMENT

MEDICAL & PSYCHIATRY

Human Resources Management (HRM):

The MSW–HR programme offers an integrated approach that combines core social work values with contemporary human resource management practices, aiming to develop competent HR professionals who can respond effectively to the needs of modern organizations. The curriculum is comprehensive and includes subjects such as Human Resource Management, Labour Legislation, Industrial Relations, and Corporate Social Responsibility, enabling students to acquire strong theoretical foundations along with practical insights. Emphasis is placed on experiential learning through concurrent fieldwork, block fieldwork, and research projects, which help students understand real organizational challenges. In addition, focused training in areas such as skill matrix and competency mapping, data processing and analysis using tools like SPSS and NVivo, and HR practices in the service sector enhances students' employability and prepares them as well-rounded, industry-ready professionals.

Community Development (CD):

The Community Development specialization focuses on the holistic development of both rural and urban communities. It prepares students to take up responsible roles such as Community Development Officers, Programme Coordinators, and Monitoring and Evaluation Officers in government departments, non-governmental organizations, and civil society organizations. The specialization also provides opportunities in the areas of research, training, and corporate social responsibility, enabling students to contribute meaningfully to community welfare and sustainable development initiatives.

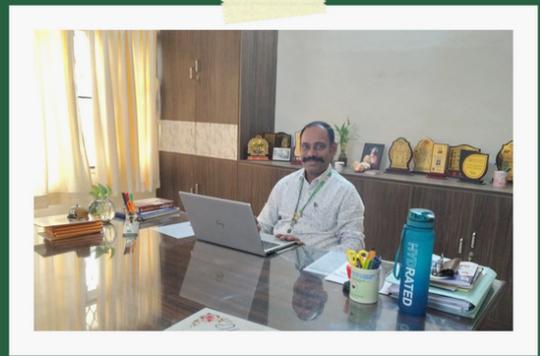

Youth Development (YD):

The Youth Development specialization concentrates on key areas such as youth policy, youth development, and youth work, with a strong emphasis on community-based practice. Students are trained to address the developmental needs and challenges of young people through structured interventions and support systems. Graduates of this specialization find opportunities in NGOs working with youth and children, hospitals, counselling centres, career guidance centres, youth skill training centres, and industries, where they play a vital role in empowering young individuals and promoting their overall well-being.

Medical & Psychiatry (M&P):

The Medical and Psychiatric Social Work specialization focuses on promoting holistic health and psychosocial well-being by integrating social work principles with healthcare practice. It equips students with the knowledge and skills required to work effectively in hospitals, mental health institutions, rehabilitation centres, counselling settings, and community health programmes. The curriculum emphasizes understanding medical conditions, mental health disorders, patient care, family counselling, casework, and psychosocial interventions, supported by intensive fieldwork and practical training. Graduates are prepared to function as medical and psychiatric social workers, counsellors, and mental health professionals, contributing to patient recovery, rehabilitation, and overall quality of life through ethical, compassionate, and professional practice.

**WHY RECRUIT FROM THE
P.G. & RESEARCH DEPARTMENT
OF SOCIAL WORK,
SACRED HEART COLLEGE (AUTONOMOUS)**

The P.G. & Research Department of Social Work at Sacred Heart College (Autonomous), Tirupattur, is a reputed institution that blends academic excellence with strong practical orientation. Established in 1979, the department offers four distinct specializations - Human Resource Management (HRM), Youth Development (YD), Community Development (CD), and Medical & Psychiatric Social Work (M&P) - designed to address diverse professional and societal needs. Through a comprehensive curriculum, intensive field-based learning, and a strong emphasis on social responsibility, the department prepares students to perform effectively in both corporate and community-focused environments. With a legacy of innovation, committed faculty, and a strong alumni base, the department ensures that its graduates are not only job-ready but also equipped to initiate meaningful social change.

Key Highlights:

1. Holistic Curriculum and Practice-Based Learning:

The department integrates theory, fieldwork, and research to prepare students for real-world challenges. Learners gain extensive hands-on experience through concurrent and block fieldwork, rural camps, community organization initiatives, and internships with reputed organizations.

2. Experienced Faculty:

The department is supported by a team of highly qualified and experienced faculty members specializing in Human Resource Management, Youth Development, Community Development, and allied areas. Their mentorship equips students with contemporary knowledge and professional competence.

3. Recognition and Rankings:

The department has been recognized among the leading Social Work institutions in India, securing 15th rank nationally and 4th rank in Tamil Nadu as per the India Today - MDRA Survey (2018), reflecting its academic quality and value-driven education.

4. Strong Alumni Network:

Alumni of the department hold key positions in renowned organizations such as Renault Nissan, Infosys, and BOSCH across the globe. Active alumni engagement strengthens support for internships, training programs, workshops, and placements.

5. Community-Centric Programs:

The department emphasizes community engagement, with students actively involved in initiatives addressing issues such as child protection, health and sanitation, entrepreneurship development, and social awareness programs, fostering leadership and innovation skills.

6. Professional Excellence and Achievements:

With multiple awards and consistent contributions to social welfare, the department promotes a culture of excellence. Students are trained to become socially responsible professionals committed to empowering marginalized communities.

7. State-of-the-Art Infrastructure:

The department offers modern classrooms, ICT-enabled facilities, and a supportive learning environment that enhances academic and professional growth.

By recruiting graduates from this esteemed department, organizations gain professionals who combine technical competence with empathy, ethical values, and leadership potential. Students from the department are well-prepared to contribute effectively and responsibly to any organization they join.

EMPOWERED TO EXCEL: QUALITIES OF THE BATCH OF 2024-2026

The 2024–2026 batch of the P.G. & Research Department of Social Work, Sacred Heart College (Autonomous) represents a strong combination of academic excellence, professional competence, and ethical responsibility. Trained extensively in the core methods of social work—Social Case Work, Social Group Work, Community Organization, Social Welfare Administration, Social Action, and Social Work Research—this cohort is well-equipped to address complex challenges in both organizational and societal contexts.

Key Qualities Recruiters Can Expect:

1. Proficiency in Social Work Methods:

Students demonstrate strong theoretical understanding and practical application of Social Case Work for individual interventions, Group Work for enhancing teamwork and collaboration, Community Organization for community empowerment, Social Welfare Administration for effective program planning and management, and Social Work Research for evidence-based decision-making.

2. Technical and Research Competence:

With advanced training in SPSS and NVivo, students possess sound quantitative and qualitative research skills. This enables them to analyze data effectively, generate meaningful insights, and support informed organizational decisions.

3. Professional Preparedness:

Through rigorous exposure to internships, rural camps, and continuous fieldwork, students have developed the ability to adapt quickly to professional environments and contribute productively from the outset.

4. Critical Thinking and Problem-Solving Skills:

The batch has been trained to approach challenges systematically, applying interdisciplinary perspectives to develop innovative, practical, and sustainable solutions.

5. Ethical Leadership and Professional Values:

Rooted in ethical practice and social responsibility, students demonstrate leadership marked by empathy, integrity, and a commitment to inclusive and equitable work environments.

6. Strong Analytical and Evaluation Skills:

Their academic training equips them to undertake research projects, evaluate programs, and contribute meaningfully to policy formulation and strategic planning.

7. Adaptability and Team Orientation:

Students are adept at working in diverse and dynamic settings, bringing flexibility, resilience, and a collaborative approach to all professional roles.

8. Commitment to Social Impact:

Aligned with the mission of Sacred Heart College (Autonomous), this cohort is driven by a strong commitment to social transformation, ensuring that their professional contributions positively impact both organizations and communities.

Overall, the 2024–2026 batch embodies the vision and values of Sacred Heart College (Autonomous) - professionally competent, socially conscious, and excellence-driven. Organizations recruiting from this cohort gain dedicated professionals who are prepared to create meaningful and lasting impact.
